**PITHY PRESIDENTIAL PROSE**

Kay Ernst and Marlene Maksel

Well, here we are ~ right in the middle of summer. I hope you're all getting a lot of relaxation, a lot of traveling, a lot of reading, or a lot of whatever it is you enjoy.

As I write this, I am preparing to go to Association Convention in Phoenix, Arizona ~ Phoenix in June/July! Whew! I will be attending all of the business sessions and many workshops. I will give all of you a report in the September N.E.W.S.

Those of you who were unable to attend our May High Tea in Sandy Wolfe's lovely yard really missed a wonderful afternoon. The Tech Trek girls were exceptionally poised as they explained briefly what they expected to learn from the week-long experience at Mills College. Likewise, the Local Scholarship girls/women were gracious in their acknowledgement of the award ~ they told us of their future studies in college. A wonderful group of future AAUW members!

Gayle Garrison did a cute presentation on the proper etiquette of having tea. She also did a very nice installation of our officers. Presentations of the EF honorees and the naming of the Barbara Newacheck Memorial Fund awardee rounded out the event.

Special kudos go to Sandy Wolfe and Marlene DeLaurenti, Co-Program V.P.'s ~ and to their committee ~ Gretel Holit, Judy Onopchenko, Sharon Lind, Kit Hein and others. They schlepped tea, sandwiches, cookies, scones, tarts, etc. for the entire two hours up and down the decks. They really deserve our thanks and appreciation for such a beautiful party.

Marlene

Congratulations and good luck to these extraordinary young ladies.

**LOCAL SCHOLARSHIP 2007 WINDUP**

Our Branch has awarded 19 scholarships to local graduating women, -from-high school seniors who have been accepted into a 4 year college or university and to DVC graduates continuing on to a four year college or university, during the past nine years.. The total money YOU have earned for this fund is \$39,500.

The committee and all the awardees thank all of you who have contributed to this cause.

**Ten years ago**,,,,,, at a Board retreat in Muriel Fry's backyard the suggestion was made and a committee formed to put ideas together, formulate a policy and bring back to the membership for the establishment of a scholarship fund. In the fall our proposal was passed and the following May (1999) our first award was made.

So pat yourself on the back for a job well done. We look forward to beginning again in January of 2008, our next campaign—*with our usual no fund raiser, tickets to sell or clean-up to help with.*

If you would like to serve on the committee please inform any of the members.

Jean Hambleton, Ginny Hargrave, Marilyn Tubbs, Dana Mathews, Marlene Maksel, Rachel Holmes, Shelley Jacobson and Susi Weight

***Congratulations to Muriel Fry***

*Muriel was the recipient of the Branch Barbara Newacheck Memorial Fund this year for her outstanding service and support of AAUW.*

## **Public Policy**

### **AB 1319 (Houston) Schools: Athletes: Steroid Testing**

## **PHAAUW & 49er Beverage Sales**

Participating in the Beverage sales with the Concord AAUW Branch is an excellent and interesting fund raiser for our various projects for the coming year. Participants determine how their earnings will be delegated in the branch. The only criteria for working is you must be 21 years of age. Round up several friends and enjoy a "fun" day at the Park. We usually car pool from the PH BART station 1 to 1 1/2 hours prior to our report time at the station.

**Please review the following dates and contact Kathy Searles at 228-5700 or Kit Hein @kjhein@comcast.net if you are interested in helping**

### **Education**

Remember the request to donate unused children's books to Mary Gray at the Pleasant Hill El library? Well! **WHAT A TURNOUT!** At least 10 boxes each were donated to Fair Oaks and El Monte Elementary schools for the librarians to give to students to take home. Both librarians reported a "special high" just to see the delightful smiles on student faces. *"Can we really keep them forever?"* **Good work Mary – and she hopes to continue this effort next year.**

### **Fair Oaks Thank You!**

Fair Oaks Elementary School teachers, staff and students honored their school volunteers on Monday, June 4<sup>th</sup> at their all school assembly. Volunteers were honored with garden bulb planting shovels and student essay booklets thanking the SAM volunteers (Student Music and Art program) for their presentations this year. One lucky student from each class received a prize when their name was drawn. Cheryl Champion, principal, related how appreciative the school was for all the PHAAUW volunteers this year. She is hopeful they will continue volunteering next year.

### ***Message from State Presidents***

***Co Chairs Donna Lilly and Rita Wustner  
(Reprinted from the California Perspective)***

Delegates to the 86<sup>th</sup> annual AAUW California convention in Ontario, CA took a quantum leap into the future by approving the proposed new bylaws. We want to thank all the members in AAUW CA, especially the convention delegates from all our branches, for making this move. Bylaws are living documents and can be changed and improved. We are now in conformance with state law but changes can and will be made as required and when voted on by our members. The board of directors pledges to maintain vigilance when the legislature changes old laws and creates new laws. And when members propose changes, we will ensure all amendments presented to the membership maintain conformity to the law and meet the desires of the membership whenever possible.

We now move into the implementation phase of the process. The Administrative Committee charged with updating policies and procedures will be the core of the implementation group. The newly elected co presidents elect, Gloria Taylor and Judy Pfeil and program vice president, Donna Erickson, will sit on the Administrative Committee chaired by secretary Kathy Windsor. They will bring recommendations to the board of directors at the July 2007 meeting.

Branch officers will be kept informed of the process through the list serves and the traditional administration packet mailed to branch presidents in August of each year.

The next year will continue to be exciting. We look forward to the 2008 convention when delegates will select the board members who will lead AAUW California into this new structure.
